TERMS OF SALE

1. This is a public auction and mail bid sale, conducted by PONTERIO & ASSOCIATES, INC. Subject to our consent, liberty for bidding by sellers and/or consignors is hereby reserved.
2. A 15% buyers charge will be added to the hammer price of each lot. This charge will be added to all invoices.
3. Subject to paragraph 8, all material shall be sold to the highest bidder as determined by the auctioneer. If any dispute arises during or immediately after the sale of a lot, the auctioneer shall have the right to recall the lot and put it up for sale again. In all cases, auctioneer's decision shall be final. For the bidder's protection, NO "UNLIMITED" or "BUY" BIDS WILL BE ACCEPTED. Bids are to be made in U.S. currency only.
4. Terms of this sale are strictly cash with payment due immediately upon receipt of invoice. Payment by check must be payable in U.S. currency only and drawn on a U.S. Bank. No credit card purchases will be accepted. Title to all lots remains with consignor until paid in full.
5. Minors are expressly forbidden to bid in this sale.
6. Floor bidders and mail bidders not known to us must furnish satisfactory credit references, sufficiently in advance of the sale to allow for checking, or a deposit equal to 25% of their total bids for that session(s) before such bids can be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.
7. All bids must be per lot as numbered in this catalogue. No lots will be broken. Lots will be sold in their numbered sequence unless auctioneer directs otherwise.
8. We reserve the right to withdraw any lot prior to the sale and to open the bidding on any lot at a reasonable price.
9. All items in this catalogue are guaranteed to be genuine unless specifically stated otherwise in the lot description. Claims to the contrary must be made in writing within three days after receipt of the lot. Any returned lot must be intact and in its original unopened holder. No lot may be returned without prior written consent. In no event may any lot be returned after thirty (30) days from the date of sale. LATE REMITTANCE FOR PURCHASES CONSTITUTES JUST CAUSE TO ABROGATE ALL RETURN PRIVILEGES FOR ANY REASON.
10. Grading is a subjective description, in the opinion of the cataloger, as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloger and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and vary among experts.
11. This is not an approval sale. Bidders are expected to promptly purchase all lots awarded to them by the auctioneer. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing, since NO LOTS MAY BE RETURNED BY FLOOR BUYERS, INCLUDING THOSE LOTS WHERE THE BIDDER IS ACTING AS AGENT FOR ANOTHER PARTY, OR BY MAIL BIDDERS WHO HAVE EXAMINED THE LOT PRIOR TO THE SALE.
12. Mail bids will be accepted from those who can not attend the sale in person. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next even dollar amount. Successful mail bidders will be awarded the lot at nominal advance over the second highest mail or floor bid. When identical bids are received by the auctioneer for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid. A floor bidder must bid higher than the highest mail bidder to be awarded any lot. The auctioneer reserves the right to refuse any bids which he, at his sole discretion feels are not made in good faith.
13. The auctioneer can not be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing to pay.
14. An estimate is provided for each lot. This estimate represents, in the opinion of the cataloger, the current market value of the lot. Lots may, of course, sell for above or below this estimate.
15. All photographs in this catalogue are of the actual items being sold.
16. Postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) invoiced to successful bidders. All lots delivered in the state of California are subject to applicable sales tax. Individuals purchasing lots for resale must submit an exemption certificate, signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate number or be subject to the sales tax.
17. We reserve the right to require payment in full before delivering any lot to a successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer. All lots sent to foreign countries, including Canada and Mexico, will be billed an additional 1/2 of 1% for insurance. The minimum insurance fee is \$5.00. Please send shipping instructions. Normally all lots will be sent via registered mail.
18. In the event a bidder fails to make remittance promptly, auctioneer reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.
19. If the invoice for the auction is not paid for in full when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid in full. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other costs incurred by Ponterio & Associates, Inc. The courts of San Diego County, California shall have exclusive jurisdiction and venue over any suit initiated by Ponterio & Associates, Inc. to collect past due invoices and the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder.
20. Auctioneer reserves the right to postpone the sale by auction of the property, for a reasonable period of time, as the result of any act of war, natural calamity or significant relevant event, which, in the judgment of auctioneer, reasonably exercised, make it inadvisable to hold the auction as scheduled.
21. Our ultimate liability for any item is the price paid.
22. By bidding in this sale, bidder personally guarantees payment; if a corporation is the bidder, the officers and/or principals of the corporation agree to personally guarantee payment.
23. All bid sheets submitted by mail bidders must be signed. Company bids must be submitted with the signature of a duly authorized agent of such company.
24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.

CONDICIONES DE LA VENTA

 2. El comprador pagará un 15% sobre el precio adjudicado por concepto de comisión. Este cargo será incluido en todas las facturas.
 3. Sujeto al párrafo número 8, todo material se adjudicará al mejor postor. Si hay alguna reclamación durante o inmediatamente después de la venta de un lote, el subastador tendrá el derecho de retirar el lote y ponerlo en venta de nuevo. En todo caso, prevalecerá la decisión del subastador. No se aceptarán ofertas "SIN LIMITE" o "COMPRADAS" para la protección del postor. Las ofertas deberán realizarse en dólares americanos.
 4. Las condiciones de esta subasta para pago son estrictamente en efectivo y de inmediato. El pago por cheque deberá ser en dólares americanos y sobre un banco en los Estados Unidos. No se aceptarán tarjetas de crédito. Los lotes serán considerados propiedad exclusiva del consignador hasta que hayan sido pagados integralmente.
 5. Se prohíben expresamente las ofertas de menores en esta subasta.
 6. Antes de que se puedan aceptar ofertas, el postor en sala y por correo no conocido por nosotros deberá con suficiente tiempo antes de la subasta, proporcionarnos satisfactorias referencias de crédito, o un depósito por el 25% del valor total de sus ofertas. Los depósitos sometidos serán aplicados a las compras y cualquier porción no usada del depósito será reembolsada de inmediato.
 7. Todas las ofertas se deberán de hacer indicando el número del lote del catálogo. Ningún lote podrá subdividirse. Los lotes serán subastados en el orden numérico del catálogo salvo que el subastador determine lo contrario.
 8. Nos reservamos el derecho de retirar cualquier lote antes de la subasta y de iniciar los lotes a un precio razonable.
 9. Garantizamos la autenticidad de todas las piezas ofrecidas en este catálogo salvo indicación contraria. Cualquier reclamación deberá de hacerse por escrito tres días después de haber recibido el lote. Cualquier devolución deberá estar intacta con su envoltura original y cerrada. La devolución de un lote no se aceptará sin solicitarlo previamente por escrito. De ninguna manera se aceptará la devolución de un lote después de 30 días del día de la subasta. **TODOS LOS PAGOS DE SUBASTA RECIBIDOS CONSTITUYEN CAUSA JUSTA PARA ANULAR TODOS LOS PRIVILEGIOS DE DEVOLUCION SIN IMPORTAR EL MOTIVO.**
 10. Determinar el estado de conservación de los lotes es totalmente subjetivo, y en todo caso es la opinión del catalogador. El término "Fondo Espejo" o "Especimen" se usa para describir un método de fabricación, y no el grado de preservación o la condición. Dichas condiciones manifiestan nuestra opinión y deberán ser consideradas como parte de la descripción y no la atribución. No hay garantía, sea expresada o implicada con respecto a dichas descripciones adjetivales que pueden variar o que de hecho varían entre los expertos.
 11. Esta subasta no es condicionada. El pago de los lotes adjudicados por los compradores deberá hacerse de inmediato. Pedimos que los postores en sala examinen cuidadosamente todos los lotes en los cuales están interesados, porque **NO SE ACEPTAN DEVOLUCIONES DE LOS COMPRADORES PRESENTES EN LA SUBASTA, INCLUYENDO LOS LOTES EN DONDE EL COMPRADOR FUNCIONA COMO AGENTE PARA OTRA PERSONA, O POR COMPRADORES POR CORREO QUE HAYAN EXAMINADO LOTES ANTES DE LA SUBASTA.**
 12. Se aceptarán ofertas por correo de personas que no puedan asistir a la subasta personalmente. Las ofertas para todos los lotes deberán ser en dólares americanos y en cantidades exactas. Si no, serán reducidas al siguiente dólar exacto. Se les adjudicará el lote a los compradores en un aumento nominal arriba de la segunda oferta más alta del postor en sala o por correo. Si el subastador recibe ofertas idénticas por un lote, se le dará preferencia a la primera oferta recibida. Si el empate es con un postor en sala, la oferta por correo tendrá prioridad. El comprador en sala deberá pujar más alto que el comprador por correo para adquirir el lote. El subastador se reserva el derecho de rechazar cualquier oferta, que a su discreción piensa que no se han hecho de buena fé.
 13. El subastador no será responsable por errores en las ofertas. Favor de asegurar de que su oferta es por el lote correcto y que su oferta es lo máximo que Ud. está dispuesto a pagar.
 14. Se ha proporcionado una estimación para cada lote. Esta estimación representa en nuestra opinión, el valor actual del lote, los lotes por supuesto, se podrán vender en más o en menos que esta estimación.
 15. Todas las fotografías en este catálogo corresponden a las piezas subastadas.
 16. Los gastos de envío, el seguro y los impuestos estatales serán cobrados si se requiere por ley y se agregarán a la factura del comprador por cada lote adjudicado. Todos los lotes entregados en el estado de California están sujetos al impuesto estatal sobre la venta. Los individuos que compran lotes para revender tendrán que someter un certificado de exención del estado de California, firmado por el comprador o su agente y reconocido por el estado de California, con el número actual del certificado para la reventa o bien se le cobrará al comprador el impuesto sobre la venta.
 17. Nos reservamos el derecho de exigir el pago total al comprador antes de entregarle cualquier lote. Es la responsabilidad y obligación del comprador de tener asegurados los lotes que estén en su posesión, ya que será responsable de la pérdida. En los lotes enviados a países extranjeros, incluyendo Canadá y México, se le cobrará al comprador un gasto adicional de la mitad del 1% por gastos de seguro, lo mínimo será \$5.00 U.S. Favor de mandarnos instrucciones de envío. Normalmente todos los lotes se enviarán por correo registrado.
 18. Si el comprador no hace el pago a tiempo, el subastador se reserva el derecho de vender la pieza de nuevo, y el comprador acepta pagar el gasto razonable de esa venta y también pagará cualquier diferencia entre el precio de reventa y la oferta previa.
 19. Si no se paga la factura de la subasta en total, cuando es debido, el saldo no pagado tendrá cargos de interés al porcentaje más alto permitido por ley hasta que esté pagado en su totalidad. Si el caso se remite a un abogado para cobrar, el postor acepta pagar todos los gastos de abogado, los gastos de los tribunales y otros gastos incurridos por Ponterio & Associates, Inc. Los tribunales del condado de San Diego, California tendrán jurisdicción exclusiva sobre cualquiera de las acciones iniciadas por Ponterio & Associates, Inc. para cobrar facturas no pagadas al vencimiento. La citación del juez por correo certificado u registrado y la respuesta de la solicitud escrita, serán suficientes para conferir jurisdicción "en persona" sobre el postor.
 20. El subastador se reserva el derecho de posponer la venta de la propiedad en subasta, por un período razonable, por el resultado de un acto de guerra, una desgracia natural o un acontecimiento importante, por lo cual, en la opinión del subastador, ejercido razonablemente, se hace inconveniente realizar la subasta como estaba prevista.
 21. Nuestra responsabilidad máxima por cualquier pieza es el precio pagado por ella.
 22. Al pujar en esta subasta, el postor personalmente garantiza el pago; si el postor es una corporación, los empleados y/o los directivos, de la corporación aceptan garantizar el pago personalmente.
 23. Todas las hojas de ofertas sometidas por correspondencia deberán ser firmadas. Las ofertas de una compañía deberán estar firmadas por un agente autorizado de esa compañía.
 24. El solo hecho de pujar en la subasta presupone el completo acuerdo con todos los términos descritos y las condiciones de la venta.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. If you have any special mailing instructions or and/or other instructions, please note them in the "special instructions" area of your bidsheet.

DON'T FORGET TO SIGN YOUR BIDSHEET.

LOT	BID
#8	\$350
#12	\$450
#60	\$500
#72	\$700

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 15% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

When we receive your bidsheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bidsheet shown at the right were yours, we would enter your bid on lot #8 as \$350. If yours was the highest bid received, you would be the purchaser at \$350. (plus 15%), and applicable taxes and shipping charges. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above the second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bidsheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bidsheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalog, place bids on everything you would like to buy. If time is running out and you feel your bidsheet may arrive too late to be included, you may call our office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bidsheet for confirmation. Also, you may FAX your bidsheet to us. As your personal agents we wish you every success.

VIEWING OF LOTS

Lots will be available for viewing by prospective bidders at our office each day, Monday through Friday, by **APPOINTMENT ONLY**, between the hours of 9:00 a.m. and 5:00 p.m., February 5-21, 2001 only. Additionally, all material will be available for viewing at the Long Beach Convention Center.

HAVE YOU COME ACROSS ANY GOOD NEW REFERENCE BOOKS LATELY?

It has been a while since I wrote about interesting reference books which were recently released or received; quite a few have come in lately and I'd like to say a bit about some of these.

Four recent arrivals produced by Verlag der Munzen und Medaillenhandlung of Stuttgart are very detailed and well illustrated references for Bamberg, Esslingen, Passau and the Bishopric of Regensburg. These are part of the *Suddeutsche Munzkatalog* (South German Money Catalog) series currently being produced and we await new releases. We haven't had many items from these entities before but we are certainly equipped now! These four books and the next one, are all in German but can be used fairly effectively without having a command of the language.

A very fine reference produced and released by Jean-Paul Divo in 2000 is "Die Munzen und Medaillen der Fursten von Liechtenstein"; this is a beautiful book with wonderful text and illustrations of the coins and medals of Liechtenstein produced from 1614 onwards, with sections dealing with counterfeits, engravers or moneyers, literature and biographical material of the various members of the reigning family.

New Spanish colonial numismatic references include "Spanish Colonial Gold Coins in the Florida Collection" and "Spanish Colonial Silver Coins in the Florida Collection" by Alan Craig, both produced during 2000. The first book is based on Craig's 1988 "Gold Coins of the 1715 Spanish Plate Fleet: A Numismatic Study of the State of Florida Collection" and contains listings of the 1512 coins in the holdings by mints, denominations, etc., with numerous photographs of the coins as well as varied punches or type styles of the mints. Appendix A is a study of the die varieties of the Mexico 8 Escudos with many good illustrations. We have copies of this book available for \$50 per copy plus shipping and sales tax if applicable. The second is the first thorough study and listing of the silver coins in the same collection containing worthwhile background information on the organization, staffing and functions of Spanish colonial mints, various mint scandals, etc., focusing mainly on Potosi and Mexico. The book has numerous illustrations of different "cobs" and varied tables and appendices give a good view of the nearly 23,000 silver coins in the State collection. We have copies of this book available for \$50 per copy plus shipping and sales tax if applicable.

Another Spanish colonial numismatic reference which we received last year is "Monedas Macuquinas de 8 Reales de Potosi" by Emilio Paoletti. This book was published in Buenos Aires and contains brief introductory sections on European coinage prior to 1492 and the early coinage of Lima before examining the 8 Reales "cob" issues of Potosi and La Plata (or Potosi alone depending on your preference). The undated pieces are listed in order by assayer with most well illustrated; there are many references to Sellschopp and notations about varieties. Dated coins are chronologically listed, again with numerous illustrations, with a variety of the 1652 "transitional" types reproduced; a brief section on "hearts" and "royals" is near the end of the book. The text is in Spanish which may or may not be a problem; even with a very minimal understanding of Spanish this book can be very useful.

The last Spanish colonial reference I wish to discuss is "The Milled Columnarios of Central and South America - Spanish American Pillar Coinage, 1732-1772" by Frank Gilboy, which was published late in 1999. This is a great book! It begins with a brief section on coinage in use prior to the pillar types with a good presentation on the different denominations and varieties of pillar coins with many fine illustrations, including one of 1729 pillar 8 Reales patterns!

The main portion of the book explores the differences found among the pillar 8 Reales produced by 6 colonial mints (again with many illustrations) as well as differences in edge engravings, stops, pillars and crowns, etc.; great stuff for the variety collector. This is followed by date listings by ruler and denomination for each of the colonial mints, with many varietal notations and illustrations; this is followed by several interesting sections including one on mules from the Mexico City mint, the "new" mint of Potosi,

and so on. Anybody interested in Spanish colonial milled coinage should own this book. We like it so well that we have it available for \$50 per copy plus shipping and sales tax if applicable. Another new arrival is "Ordenes y Condecoraciones de España 1800-1975" by Jose Manuel Pérez Guerra, published in Zaragoza in 2000. This is a beautiful book of more than 400 pages with hundreds of illustrations (practically all in color). Awards are divided into categories of issues such as Civil and Military Orders, Royal or Noble, the War of Independence, the Wars of America (Spanish side only), then by reign or issuing authority, with various Carlist medals in the last section. The text is in Spanish but is not extensive as to be a problem. Anyone working with or interested in orders and decorations should have this book.

Well, let that be enough of book reviews or commentaries. If you have come upon any new references which are really interesting or well done, please let us know, we are always seeking new useful references for our library. Good hunting and happy reading!

A COLLECTION OF CHINESE PAPER MONEY BEING OFFERED AT THE C.I.C.F. AUCTION IN APRIL

We will be offering the Chinese Paper Money collection of Ed Bohannon in our forthcoming Chicago International Coin Fair auction in April 2001. The collection will be of Charlotte, NC., a separate catalog consisting of more than 400 lots. Banks of major interest to Ed were the Bank of China, the Bank of Communications, the Central bank of China, the Bank of Taiwan, Japanese Occupation Banks and the Peoples Bank of China but he also obtained interesting foreign, military and provincial issues which "struck his fancy".

Ed "accidentally" began collecting Chinese notes while stationed in Taiwan in 1964; he picked up a variety of notes with the intention of giving them to a nephew when he returned home; the nephew was more interested in having Ed's guitar so he kept the notes and "it took off from there".

Some highlights among the General Issues are 2 Ming notes; a 1 Kuan in very nice condition and a very rare 40 Cash note (Pick unlisted, SM-T36-4), an Imperial Bank of China 1895 1 Tael of Peking, a Bank of China 1918 100 Dollars of Tientsin and a Bank of Communications 1912 10 Dollars with no branch office. The Peoples Bank of China has many 1948/9 issues in high grade including a 1949 "Sampan at left" 100 Yuan, Taiwan has an 1895 5 Yuan Silver Note, undated (1904) 1, 5 & 10 Gold Yuan Specimens and Lutoo (Green Island) Penal Colony 1, 2, 5 & 10 Points food coupons. Japanese Occupation Issues are led by a Chi Tung 1937 100 Yuan Specimen.

Major offerings among the Specialized issues are a Yokohama Specie Bank 1924 1 Yuan of Tsingtao, a Shantung Provincial 1932 1 Yuan/Dollar of Chefoo, a Bank of Territorial Development of Yunnan 1927 10 Yuan back proof and Chinese Soviet Republic National Bank-Hunan-West Hopei 1932 2 Chiao & 1 Yuan. Among Pick and/or Smith Matravels unlisted material is a 1904 Yin Pao (silver note) for 30,000 silver Taels with Ho Won Bank of Peking stamps (a transfer document for the Peking Kalgan Railway), a Kweichow Currency Bureau 1 String (1000 Cash) a year 30 (1904), Chung Foo Union Bank of Shanghai 2,4 & 6 Yuan Gift Certificates, Peoples Bank "trial" notes for the National Gymnastic Training Center, a variety of Imperial, Republican and Military bonds, etc.

Throughout this collection one will find multiple of notes with different signature combinations, serial number or prefix varieties, various overprints and other subtle differences which are sure to attract the attention of variety collectors.

The Ed Bohannon collection of Chinese Paper Money will be in its own auction catalog and will certainly be useful as a reference in its own right; world and ancient coins and other paper money will be in another. If you want to receive a copy of this catalog, be sure to let us know.

LANDSANKI ISLANDS VARIETIES “NOT YET IT PICK” FOR EDUCATION & REFERENCE

Several years ago the Numismatic Collection of the Central Bank of Iceland and the National Museum of Iceland produced “The Currency of Iceland-Issues and Features of Icelandic Notes and Coins, 1778-1997”, a great reference on paper and coin issues. The current Krause catalogs have most of the information in this work, but some did not get into the latest Pick; this may “fill the gap”.

The Landsbanki Islands issued three series of notes between 1927 and 1957, these being Pick 23-26 (issued 1927-39), Pick 27-31 (1934-47) and Pick 32-36 (1948-57); the second and third issues are the subject of this expanded listing. Pick presently has only a. issued & b. Specimen listings; signature listings have also changed somewhat. New listings should be:

P-27a. no SN prefix, sign. 1-3
b. SN prefix “A”, sign. 1, 3-4
c. SN prefix “B”, sign. 1
s. Specimen

P-32a. no SN prefix, sign. 6, 8-10
b. SN prefix “C”, sign. 7,9,11
s. Specimen

P-28a no SN prefix, sign. 1-3
b. SN prefix “A”, sign. 1, 3-4
c. SN prefix “B”, sign. 1, 4-5
s. Specimen

P-33a. no SN prefix, sign. 6, 8-10
b. SN prefix “C”, sign. 8-10

P-29a. no SN prefix, sign. 1-3
b. SN prefix “A”, sign. 1, 3-4
c. SN prefix “B”, sign. 1, 4-5
s. Specimen

P-34a. no SN prefix, sign. 6, 8-10
s. Specimen

P-30a. no SN prefix, sign. 1-3
b. SN prefix “A”, sign. 1, 3-4
c. SN prefix “B”, sign. 1, 4-5
d. SN prefix “C”, sign. 1, 4-5
e. SN prefix “D”, sign. 1, 4-5
s. Specimen

P-35a. no SN prefix, sign. 6, 8-10
b. SN prefix “C”, sign. 7,9-11
s. Specimen

P-31a. no SN prefix, sign. 1, 4-5
s. Specimen

P-36a. 6 digit SN, sign. 6, 8-10
b. 7 digit SN, sign. 8-10
s. Sepcimen

Just a few changes, especially P-30 issued notes which jumps from 5 varieties to 15. Well, it’s a boon or plague for the variety collectors and I’m one of those I have a few gaps and I might as well put in a pitch: I need, using these “new” listings, P-29c signature 4, P-30a signatures 1 & 2 and P-30c signature 4. I am also seeking a P-22b (latest listing), green/green, SN 200000-250000. Any assistance would be appreciated.

We thank you for your support of our auctions and hope that you had a pleasant Holiday Season. We are now solidly into the new millennium with many interesting challenges and opportunities facing us in the coming months. If you have been seeking some very special items for your collections, please keep us advised; we may be able to track down something of interest. In a similar regard, if you decide to “change gears” from one collecting interest to another, we can probably help you with your goal.
Best wishes,
